

Sector Success Program Evidence of Partnership

Legal Name of Partner Organisation

For the purpose of SSP, a partner is defined as an organisation that contributes cash, or in-kind skills, expertise or resources to support the development and/or delivery of projects.

Some partners also deliver products and services that are paid for via the project.

Using the table below please describe and clearly distinguish the cash, in-kind (activities, skills, expertise and/or resources) contributed through the partnership; and the goods and/or services that will be paid via this grant.

Cash contribution (if applicable, please state what the cash contribution will be used for)

Cash amount:

In-kind support (describe your role in the partnership and the activities and resources you will be contribution to the project should this application be successful)

Estimated value of In-kind (e.g. hour X pay rate; rate/km travelled):

Goods and Services (please describe any goods and services that your organisation will be paid for should this application be successful)

Estimated payment for goods and services:

If this application is successful, I understand partners may be required to complete a Partnership Analysis. The results of a short survey will support parties to reflect on the partnership and identify ways to strengthen the partnership.
