WELCOME

It is our pleasure to encourage you, on behalf of the Australian Sports Commission and all of this year's collaborators, to attend this largest National Sports Convention in 2018. Integrating the Our Sporting Future conference with the NSC will bring together sport, all levels of government, education, health, sports infrastructure owners and service providers, with a single vision.

'To encourage more people to be active, play, recreate and participate in community sport.'

This year we present with our collaborators and partners more than a dozen conferences, forums, events and a myriad of activities to share knowledge, showcase good practice, provide an array of networking opportunities and create environments for conversations looking forward collectively so we can all make a difference.

Kate Palmer
Chief Executive
Officer
Australian Sports
Commission

Martin Sheppard

National Sports
Convention

Australian Government

Australian Sports Commission

The Australian Sports Commission is a Commonwealth Government corporate entity focused on getting more Australians participating and excelling in sport. 2018 sees the integration of the Australian Sports Commission's 'Our Sporting Future' conference into NSC2018. This will bring together stakeholders from sport, government, education, health and service providers with a single vision on working together to encourage more Australians to be active and participate in sport.

Smart Connection Consultancy has over the past decade established itself as one of Australia's leading niche management consultancies that works with sport, government and education sectors to support and facilitate opportunities in growing participation. The National Sports Convention reflects our commitment and passion to encourage more people to be more active, more often. By bringing together the globe's leading thinkers, key Australian policy makers, and providing prominent local case studies, the National Sports Convention provides opportunity for all those involved in sport, recreation and physical activity to work together to make a difference for the next generation.

Interpoint Events, part of the Intermedia Group, was launched in 2004 specialises in exhibitions and conferences and organises events in diverse markets such as pools and spas, cleaning, supply chain and logistics, corporate health, assistive technologies and hotel management. Interpoint also holds events for a number of different industry bodies including the Building Service Contractors of New Zealand and the Assistive Technologies Suppliers Association. In 2011 Interpoint was awarded winner of the Best Australian Show by the Exhibition and Event Association of Australasia. Interpoint has organised events in Australia, New Zealand, Singapore and the USA. As a Founding Partner Interpoint is committed to ensuring the delegate experience is excellent in every way.

DEVELOPED BY THE INDUSTRY FOR THE INDUSTRY

The National Sports Convention 2018 has been developed with the Australian Sports Commission, and has been made possible with the support of our Foundation Partners, Collaborators, our generous sponsors and the speakers who have travelled near and far to share their experiences on how Australia can really make a difference by encouraging more people to be active.

Tuesday 17th July

8.45am – 9.00am	Welcome		
9.00am – 10.15am	Global Keynote Forum: Session 1 Encouraging Behavioural Change to Drive Campaigns to Increase Participation in Community Sport and Active Recreation		
10.15am – 11.00am	Morning Networking and Refreshment Break		
11.00am – 12.30pm	National Community Sport Conference (NCSC)	National Aquatic Recreation Infrastructure Conference (NARIC)	National Sports Surfaces Conference (NSSC)
	Plenary Keynote Session 1 Embracing Data to Target Behavioural Change – AusPlay, commercial and community research, insights, and approaches that embrace data analysis to change locally led delivery and maximise impact.	Plenary Keynote Session 1 Global Trends in Local Settings – Key global organisational representatives to share thoughts on trends to 2030 based on infrastructure needs, design and planning.	Plenary Keynote Session 1 Global Innovative Approaches to Activate Urban Spaces Through Sports Surface Technology and Field Design
12.30pm – 1.30pm	Lunch in Expo Area		
1.30pm – 3.00pm	Stream 1: Participation – Catering to a Diverse Audience Innovative Programs to Target a Diverse Community That Are Succeeding – Key learnings and case studies on how organisations have activated the broader community, including the target focuses of Women, Culturally diverse, Older people and Low socio-economic cohorts.	Stream 1: Planning and Design Future Options for Aquatic and Leisure Facility Design	Stream 1: Natural & Hybrid Turf Hybrid Technology for Local Government Fields
	Stream 2: Strategy and Policy to Activate More People Life Long Participation – The importance of appreciating physical literacy in creating strategies and provision for the broad community at all life stages is critical for success.	Stream 2: Refurbishment and Repositioning Older Facilities Innovative Approaches to Refurbishing and Repositioning Older Facilities on a Budget	Stream 2: Synthetic & Hard Surfaces Understanding Acrylic Surfaces – The benefits, standards, compliance and construction considerations.
3.00pm – 3.45pm	Afternoon Networking and Refreshment Break		
3.45pm – 5.15pm	Stream 1: Participation – Catering to a Diverse Audience Understanding Barriers and Activators for Diverse Target Audiences	Stream 1: Planning and Design Thinking Differently – Designs and Collaborations to Attract More Users.	Stream 1: Natural & Hybrid Turf How to Design a Field for Optimum Capacity to Extend Usage – The latest thinking and technical secrets for planning, building or refurbishment of a field for additional capacity.
	Stream 2: Strategy and Policy to Activate More People The Benefits of an Integrated and Holistic Approach	Stream 2: Refurbishment and Repositioning Older Facilities Refurbishment and Repositioning Older Facilities to Improve the Customer Experience – Retrofitting facilities to make them more accessible, fun, flexible and maximising program usage to encourage greater usage and return visitation.	Stream 2: Synthetic & Hard Surfaces Resurfacing, Recycling and Re-Use of Synthetic Sports Turf – With the first generation of football fields now nearing the end of their life expectancy, considerations are required for sport, local government and schools.
5.15pm – 6.45pm	Industry Networking and Awards Event (Sport & Recreation Expo)		
7.00pm – 8.00pm	Male Champions of Change Sport Forum		

Welcome		8.45am – 9.00am
Global Keynote Forum: Session 1 Encouraging Behavioural Change to Drive Campaigns to Increase Participation in Community Sport and Active Recreation		9.00am – 10.15am
Morning Networking and Refreshment Break		10.15am – 11.00am
National Sport Development Conference (NSDC)	National Disability Sports Conference (NDSC)	11.00am – 12.30pm
Plenary Keynote Session 1 Building the Best Sports Development Model for Australia's Sporting Future – From the past twenty years, what have we learnt and how can that change the way we are thinking for the future if we are going to be successful from grassroots to podiums.	Plenary Keynote Session 1 Demonstration of growth, initiatives and learnings from working with people with disability and how they are impacting the industry	
Lunch in Expo Area		12.30pm – 1.30pm
Workshop 1 Participation and Athletes Development Opportunities	Stream 1: The NDIS – How can People with Disability use it to Get Active? Where do sports fit with regards to NDIS, how do they work with this beast in an ever-changing landscape	1.30pm – 3.00pm
Workshop 2 Coach Development – The Optimum Way of Developing Future and Current Coaches ASC and contemporary research shows that coaches want more ongoing, personal support from a credible senior figure and are less interested in traditional courses or accreditations. Mentoring has been the traditional approach.	Stream 2: How to Overcome Financial Barriers to Meeting Your Project Objectives How to build in sustainability in to the planning process that goes beyond the funding	
Afternoon Networking and Refreshment Break		3.00pm – 3.45pm
Workshop 3 The Science of Athlete Development Exploring the latest thinking on supporting athletes through understanding the science and the art of providing opportunities from grass roots to elite.	Stream 1: The NDIS – How can People with Disability use it to Get Active? Where do sports fit with regards to NDIS, how do they work with this beast in an ever-changing landscape	3.45pm – 5.15pm
Workshop 4 Coach Development & Performance Creating an environment to help coaches and athletes push the boundaries to achieve their potential.	Stream 2: How to Overcome Financial Barriers to Meeting Your Project Objectives How to build in sustainability in to the planning process that goes beyond the funding	
Industry Networking and Awards Event (Sport & Recreation Expo)		5.15pm – 6.45pm
Male Champions of Change Sport Forum		7.00pm – 8.00pm

Wednesday 18th July

8.45am – 10.15am	Global Keynote Forum: Session 2 Global Learnings and Local Settings for Strategy, Policy and Delivery		
10.15am – 11.00am	Morning Networking and Refreshment Break		
11.00am – 12.30pm	National Community Sport Conference (NCSC)	National Aquatic Recreation Infrastructure Conference (NARIC)	National Sports Surfaces Conference (NSSC)
	Plenary Keynote Session 2 Urbanisation and Adaptation of Community Sport – To change the way we think about planning, adapting and providing opportunities to encourage more people to be active in less traditional places.	Plenary Keynote Session 2 Data Mining and Insights into Customer Interests and Activities – The importance of embracing data and insights to drive the planning and development of new facilities and refurbishment of older centres.	Plenary Keynote Session 2 Planning for More Fields and Courts to Cope with Demand – What Are the Options?
12.30pm – 1.30pm	Lunch in Expo Area		
1.30pm – 3.00pm	Plenary Keynote Session 3 Planning Models for Local Government, Sport, Health and Education to Collaborate and Optimise Participation and Facility Planning – How local government and sport can adopt an integrated planning framework to plan for future generations to be more active with more facilities.	Plenary Keynote Session 3 Collaboratively Activating Sport and Active Recreation Space in Urban Settings - Xtreme to Mainstream – With the growth in the urbanisation of sport, collaboration between public, private and not for profit developers and operators could be the way forward.	Plenary Keynote Session 3 Designing and Procuring a Multi-Sports Synthetic Field and Surfaces for Australian Conditions
3.00pm – 3.45pm	Afternoon Networking and Refreshment Break		
3.45pm – 4.45pm	Plenary Keynote Session 4 Panel Q&A – The Future of Community Sport and Active Recreation – Industry focus to make the biggest difference	Plenary Keynote Session 4 Collaborations with the State and Local Government and the Education Sector to Activate Space to Encourage Sport and Recreation – Working collaboratively with education departments, Universities and local schools, local government could activate a significant number of communities with additional facilities.	Plenary Keynote Session 4 Doing More with Less – With population growth increasing and land availability diminishing (or staying the same) how do we get the most out of our Fields of Play?
4.45pm	NSC Closes		

Global Keynote Forum: Session 2 Global Learnings and Local Settings for Strategy, Policy and Delivery		8.45am – 10.15am
Morning Networking and Refreshment Break		10.15am – 11.00am
National Sport Development Conference (NSDC)	National Disability Sports Conference (NDSC)	11.00am – 12.30pm
Plenary Keynote Session 2 Sports Development to Provide Participation and Athlete Development Opportunities Staying ahead of the curve by exploring the latest thinking and approaches.	Plenary Keynote Session 2 Panel Session - First hand stories from people with disability – what barriers have they overcome to get active? These stories are to provide practical advice on what organisations can do to reduce these barriers	
Lunch in Expo Area		12.30pm – 1.30pm
Workshop 5 Understanding Junior Athletes to Optimise their Development, Maximise their Performance and Support their Wellbeing	Plenary Keynote Session 3 What pathway does a person with disability take to get active? How can we best fill the gaps in this pathway?	1.30pm – 3.00pm
Workshop 6 Facility Investments and Needs Will Drive Facilities Hierarchy and Supportive Environments		
		3.00pm – 3.45pm
Workshop 7 Technology Driven Facilities and Solutions	Plenary Keynote Session 4 How can organisations provide employment and volunteering opportunities for individuals with disability? How can organisations improve employment outcomes for those with disability within the sporting sector. How can events be accessible and truly inclusive.	3.45pm – 4.45pm
Workshop 8 Club Development and Capacity Building		
NSC Closes		4.45pm

GLOBAL KEYNOTE FORUM: SESSION 1

Tuesday 17th July 8.45am-10.15am – Theatre

All delegates from each of the conferences come together to hear the Global Keynote Speakers present about the Game Changers and share ideas of how these can change what is happening in local community sport across Australia. Time will then be spent with the facilitator exploring the insights shared in the presentations before opening the floor to delegates.

Encouraging Behavioural Change to Drive Campaigns to Increase Participation in Community Sport and Active Recreation – Understanding the stages of a behavioural change continuum may be a Game Changer for our industry in developing strategies, campaigns and offering opportunities to encourage more people to be active and ensure sustainability.

Exploring the options of behavioural change, appreciating Australia's current approach, gaining new insights on Sport England's 'This Girl Can' campaign, and appreciating Australia's largest fitness group on solutions for different cohorts. One of Australia leading brand and creative agencies will join the groups and share how to activate and motivate the broad community through campaigns which change people's behaviours.

*Nicole Livingstone O.A.M.
Master of Ceremonies – National Sports Convention*

Thinking Clearly About Behaviour: Theory to Reality for a More Active Nation

Kevin Luten, Director – Behaviour Design Works

Translating theoretical behaviour change frameworks into on-the-ground programs can be a challenge. This presentation will distil abstract concepts into concise steps that underpin successful program design.

Creating a More Active Nation

Kate Palmer, Chief Executive Officer – Australian Sports Commission

The vision to increase opportunities to play, recreate and participate in community sport in Australia.

Creative Learnings to Activate a Broader Female Cohort from the 'This Girl Can' Campaign

Jennie Price, Chief Executive – Sport England

The learnings to date on changing people behaviours by targeting the non-active audience.

Understanding Peoples Behaviours are Critical for a Successful Campaign

Justin Drape, Chief Creative Officer – The Monkeys

Exploring global and local learnings and campaigns to demonstrate what we need to consider as an industry if we are going to succeed over time.

A Branded House of Fitness and Lifestyle Solutions for Different Cohorts of the Community

Greg Oliver, Group Chief Executive and Managing Director – Fitness & Lifestyle Group

How to attract a broader cross section of the community to be more active, fitter and healthier to participate more.

An Auslan Interpreter will be at the event for the duration of this Keynote session to facilitate communication for delegates.

GLOBAL KEYNOTE FORUM: SESSION 2

Wednesday 18th July 8.45am-10.15am – Theatre

All delegates from each of the conferences come together to hear the Global Keynote Speakers present about the Game Changers and share ideas of how these can change what is happening in local community sport across Australia.

Global Learnings and Local Settings for Strategy, Policy and Delivery – Exploring global, national and local strategies that are making a real difference to activating the community.

*Nicole Livingstone O.A.M.
Master of Ceremonies – National Sports Convention*

Sport England's Active Nation
Jennie Price, Chief Executive – Sport England

From traditional team sports to activities like walking or going to the gym, Sport England are committed to building an active nation that caters for everyone. The challenges and how these have helped evolve future thinking.

Bringing International Insights into Activating Communities, Places and Shifting Attitudes to Increase Participation in Sport and Physical Activity Amongst Victorians
Jerril Rechter, Chief Executive Officer – VicHealth

Exploring and introducing new and proven approaches to shift physical activity and sport participation amongst less active Victorians and advance gender equality on and off the field.

Active Citizens Worldwide
Dr Sarah Sandley, Chief Executive Officer – Active – Auckland Sport & Recreation

A ground-breaking new global initiative, ACW was created with the aim of getting millions of people more active in cities around the world. A positive step-change in the physical activity levels of citizens, through multi-city collaboration, best-practice sharing and global benchmarking.

Partnering to Activate the Local Community
Geoff Barry, General Manager Community Sport and Recreation - Sport New Zealand
Programs and Strategies Key Learnings.

Panel session – to explore and share the insights and identify the key opportunities for local delivery in Australia.

An Auslan Interpreter will be at the event for the duration of this Keynote session to facilitate communication for delegates.

DEVELOPED & PRESENTED BY

SPORT AND RECREATION EXPO

Tuesday 17th July 8:30am - 6.45pm
Wednesday 18th July 9:00am - 3.45pm

Committed to bringing together Australia's leading suppliers and peak bodies under one roof for attendees to appreciate the opportunities available. The Sport and Recreation Expo provides:

SPORTS VILLAGE

Peak sport bodies to allow delegates and expo attendees to meet and explore options of how they can work together to activate more of the community to be active, and how the NSO's, SSA's and peak bodies can support them.

SPORT AND RECREATION EXHIBITORS

Offering a range of products and solutions to attendees, including:

- **Indoor Facilities** – Everything from programs, activities, change rooms, technology, merchandising, secondary spend, retail solutions, aquatic equipment and solutions.
- **Sports Equipment** – All aspects of sport including goals, seats, flags, netting, fencing, lighting etc.
- **Sports Technology** – As the largest growth area of supporting clubs and individuals in participation, the latest sports technology will be showcased.
- **Sports Surfaces** – Natural, hybrid, synthetic and hard-court surfaces, with the latest technology from some of the world and Australia's leading suppliers, installers, maintenance companies and sports equipment providers.

VICTORIA UNIVERSITY, HEALTH AND SPORT THEATRE PROGRAM

Program each day free of charge to the attendees. As part of the National Sports Convention's commitment to accessibility and in association with Victoria University's Health and Sport Department, each day a full program of talks and interviews will be held within the Sport and Recreation Expo area, a full program will be issued in June. Speakers will represent national and state governments, commercial and volunteer sectors who will share their insights. Each hour there will be a 30 minute workshop from 10am daily for the two days. Entry is free once you register for the National Sports Convention Sport and Recreation Expo.

If you are interested in being a part of the Sport and Recreation Expo, please contact Interpoint Events on 1300 789 845 or info@interpoint.com.au

THE AUSTRALIAN SPORT, RECREATION AND PLAY INNOVATION AWARDS

Tuesday 17th July 5:15pm

The National Sports Convention 2018, is host of the Australian Sport, Recreation and Play Industry Innovation Awards. The purpose of the Awards is to recognise individuals, and not-for-profits, commercial, play, recreation and sport sectors, on their innovation to get more people active in the industry based on the following categories:

1. PROGRAMS, ACTIVITIES AND EVENTS

Innovative programs, activities and events that have been developed to encourage the community to be more active in large numbers.

2. SPORTS SURFACES

Innovative solutions that allow greater intensity and durability of natural, hybrid, synthetic or hard sports surfaces that allow for greater usage.

3. TECHNOLOGICAL SOLUTIONS AND PRODUCTS

Business to business or the business to consumer innovations that encourage more people to play sport or be active.

4. PLAYGROUND DESIGN AND DEVELOPMENT

Designs and developments that allow and encourage more children to play, have fun and be active.

5. YOUNG INNOVATOR OF THE YEAR

A young person (under 25) who has developed a program, space, activity, technological solution or innovative partnership that is encouraging more people to be active.

6. MARKETING AND COMMUNICATIONS INNOVATIONS

The packaging and communication of an opportunity in a manner that has innovatively encouraged more people to be active.

7. FACILITY DESIGN AND DEVELOPMENT

Innovative design and management that creates an environment where more people are active (built and natural environments).

8. THE OVERALL SPORT, RECREATION AND PLAY INDUSTRY AWARD FOR INNOVATION

This award will provide the prize and trophy for the National Sports Convention Sport, Recreation and Play Innovation Award. The winner will be chosen from one the above seven winners.

Each category will be independently assessed by a panel of industry experts.

As part of the National Sports Convention, the final three short listed applicants will be provided with an opportunity to display their innovation as part of the Sport and Recreation Expo, so the industry can appreciate their innovations.

The awards will be presented on Tuesday 17th July at the National Sports Convention Industry Networking Evening at the Victoria University Health and Sport Theatre, trophies and cash prizes will be provided to all winners. **Applications open 1st May and close 1st July 2018. Apply at www.nationalsportsconvention.com.au.**

NATIONAL SPORTS CONVENTION - OUR COMMITMENT TO GENDER EQUALITY AND ACCESSIBILITY

GENDER EQUALITY

The National Sports Convention is committed to gender equality and has strived to work with our collaborators to ensure this is reflected in the overall program for a balance of speakers. We have set an overall target of 40% minimum and in some conferences the balance is as high as 62% for women.

We recognise in some industry sectors gender equality is not as balanced as we would like, so we are encouraging affirmative action for future leaders by working with our collaborators and key bodies for them to recognise future women leaders and subsidise their attendance to encourage women to have greater opportunities to be part of the NSC. Up and coming leaders should contact their peak body, State and Territory Government and Associations to explore if they are offering a subsidised program to their members.

ACCESSIBILITY

We are committed to providing opportunities for all to access the NSC. We are reducing the burden of cost as a barrier by offering:

- Collaborator reduced costs for their members
- Earlybird prices that are the most economical solution
- Group rate packages five for the price of four tickets
- Working with some State and Territory Governments and peak bodies to provide subsidised rates for organisations that may only be able to send one representative

Contact your local State/Territory Government, your State community sport organisation or any of our collaborators to explore if they are supporting this and can offer a subsidised rate.

REGISTRATION DETAILS

To register for individual conferences and events within the National Sports Convention please go to www.nationalsportsconvention.com.au. For other events, please follow their respective links to register.

Prices for the National Sports Convention Conferences taking place on 17-18 July 2018
